Dear Diary

Our Alma Mater goes like this:
Hail to your colors dear High School
Long may they wave over you.
Purple for justice and honor
Gold for your ideals so true;
When from thy halls with our credits
Leave we these hallowed walls
Let us in every endeavor
Make thy name highest of all.

Years have been spent in thy building,
Dreams and toils ne'er in vain—
For there where efforts and trials
Our grateful hearts will remain.
Dear Alma Mater, we love thee
Tho' round the world we may roam.
Always remembering thy precepts
When ere our thoughts turn to home.

Slowly the years may come o'er us,
Memories of thee will remain
Dear A. H. S. 'neath the pine boughs,
Whispering of thy future fame.
Here's to the best high school ever
Proud may thy colors be worn,
"Service for all" be thy watch word
Strong in thy duty well done.
By the way, Song.
"Wellesley's Boating always"

Dear Diary,

Miss Nixon still sticks to facts; she hit the nail on the head with the theme V-Day for our junior-Senior Banquet.

Henry Weigel, III, president of the Junior class welcomed the Seniors; Stanley Davis, president of the Senior class, made the response.

Favors of miniature soldiers, flags, and booklets of war popular songs festooned the table. A huge V made red, white and blue flowers adorned the wall.

Miss Clara and a group of her Home Ec girls prepared and served the delectable meal.

Miss Lewis, who is always interested in the dance, turned the gym into a formal garden with moonlight, where we danced to the tune of a "juke box".

See be seeing you.

Ann Lou

Dear Diary, Alack! There's no
alas! Freshmen Class! Why? In the
transition from an eleven to
a Twelve grade school system,
each year one is the high school
grades is "out". This is the year for
no Freshmen Class. Next year the
Sophomore class will be out, the
next the Junior Class, and
finally there will be no Senior
Class. Even though we have no Fresh-
men, we do have the seventh
and eighth grades in our building.
Did you ever see so many new and
questioning faces at one time! But
now we are used to them, and
I believe they enjoy just being
around.

So long for now,

Dear Diary,

On Sunday, May 20, the Seniors filed into the auditorium for the Baccalaureate services in the traditional manner. The sermon and the singing were very impressive. I think that the class approached commencement with the usual reluctance. You always think you will be glad, but you never are. The theme of the program was "A Better World." Stanley, Jamie Louise, Sara Ned, Marguerite, and Wanda took part. At the conclusion taps were sounded, and I knew that another class had left the alumni. always,

Dear Diary,

It seems that each year the annual Horse Show gets better. The ladies of the P.T.A. and the gentlemen of the town are to be congratulated on these fine displays of horse flesh. Why I had never seen so many beautiful horses in all my life! There were saddlers classes — three and five-gaited, Tennessee walkers, fine harness, cow ponies, and roadsters. Our home talent wasn't bad either. In fact, I think I'll investigate all the intricacies of horsemanship, acquire a "nag" and join the parade next fall.

Always,
Ann Lou

Dear Diary,

Weather being fair and crisp, excitement and enthusiasm reigned in the halls today, November 21. Home-coming. Our team met Varnado and won 13-6. At the half Neil D. Mixon, recently home from service, was master of ceremonies. The P.T.A. pres. ted Coach Catha with a check, $500, for football equipment. Stanley Morrison, Sue F. Hood, and Dorothy J. Harwell, former cheerleaders, led the crowd in old time rah! rah! rah! Mothers of present football players were wearing purple and gold corsages, compliments of the Lay club.

Dear Diary,

I shall never forget our first Career Day sponsored by the senior class. Successful men and women from all over the state visited the school to give us information about various occupations. We called these twenty-eight people the "faculty for the Day" and they seemed to know all of the answers. My only regret was that I could have only four vocations discussed. As usual Mrs. Gambleton prepared the cleverest program — sketches depicting people at work in addition to the schedule. Also in the assembly program the characters were the words and the schedule. Also in the assembly program letters were the words "Our Own Destinies." Mrs. Brumfield and Mr. Walker have received many letters commending the faculty and the student body for this achievement. "Now Career Days!" As ever,

Ann Lou

Dear Diary,

As we near the end of another "annual" year, I am thinking of those who have worked so untiringly to make our book a success.

To our sponsors, Mrs. Helen F. Barkston and Mrs. Helen C. Brumfield, 9° our sincere thanks and appreciation for their thoughtful guidance and inspiration.

To our artists, Mr. Roy J. Dunham and David Hanby, we want to express our gratitude for the painstaking work that they contributed.

To our principal, faculty, and student body, we say your cooperation has been above our expectations. We hope that this volume will remind all of you of happenings and people dear to you for a long, long time.

As ever,
Ann Lou
